

This is the time I'm pouring My words into people, I saw a scroll that was opened up and the words were written from the top in Heaven right down to the 🌍 earth. God wants to speak to each one of us now. My word I want to deposit right into our hearts and minds, the words are living for they are right from the throne of Heaven. I saw music notes on some words and the Lord said there going to be new worship songs going to be released for this hour, I will give the words to worshipers to write new songs. Heavenly songs not mans songs, these songs will touch people for salvation, healing, deliverance, and for getting into the throne room of Heaven.

I am releasing in this time many many angels to work with the anointed to bring My Glory onto the earth, there is going to be a move of My Glory that nobody has experienced before, My angels are there to work with people for sign wonders and miracles. My Glory will be so heavy that nobody will be able to stand, people will be on their faces crying out for repentance and then going after the lost.

Words will fall from Heaven, words of knowledge, wisdom, insight, discernment, love and understanding. In this many people will be miraculously healed, delivered and mighty salvations, you will see the biggest Harvest of souls that has ever been on the earth.

Wave after wave of My presence will come on the earth, so position yourselves to receive the power of My anointing. Prepare your selves now, spend time with Me now, now is the appointed time to be in the secret place, for you to prepare yourselves to move in Holiness and purity. If you do this you will be in the remnant of ones I can truly use in this hour. Put My word on your hearts and renew your minds with My word and worship me. Allow your Heavenly language to flow out of your whole beings, pray with this unknown tongue for it is a language that is straight from Heaven, Holy Spirit intercedes and prays with you and miracles start to happen.

This is the time to prepare yourselves in the quiet place and I will tell you things you do not know, I will build you up in the Holy Spirit, you will dream Heavenly dreams, I will anoint you for the next move of My Spirit, call unto me and I will tell you things you do not know.

I will anoint you to heal the sick, raise people from the dead, to heal the broken hearted, to deliver the ones that have been caught in the snare of the enemy. I will anoint you with power from Heaven, I will breath on you again but much stronger with the fire of Heaven, that you will ignite people with the passion of My presence and you will be a Glory carrier. 🔥🔥🔥🔥
